The School District of Grafton will require \$225.00 for supplies, \$10.00 for flags and \$400.00 for high school tuition for the coming year.

A new shed is needed at the South Grafton school.

The Smith Brothers offer the town a deed of 3,500 square feet of land, (including the present site of school house), for the buildings and a play ground for \$20.00, providing the town shall agree to erect and maintain a suitable fence around same.

The Center school house needs a coat of paint, the school houses at Wild Meadows and Height of Land, and the shed at East Grafton need to be shingled.

The out house at the Depot school should be connected with shed.

The School Board wishes to call attention to the Board of Health rules relating to school buildings, conditions about and around grounds and out-houses, which are everywhere being rigidly enforced. Some needed changes will be required at once.

By Supt. Morrison's instruction, the school board has in the past year acted as (and should be) the Repair Committee, and have tried to make the necessary repairs and

improve the school grounds as best they could with the amount of money available for the purpose.

ALPHEUS A. HOWE,	} School Board of Grafton, N. H.
THOMAS ROEDER,	
LAURA GAGE,	

This certifies that I have examined the foregoing account and find it correctly cast and properly vouched.

GEORGE H. JOHNSON, Auditor.
